B. BASIS FOR DETERMINING PRICES

It is expressly understood and agreed that:

1. All prices stated in the Schedule of Prices are firm and shall not be subject to escalation or change;
2. Village is not subject to state or local sales, use, and excise taxes, that no such taxes are included in the Schedule of Prices, and that all claim or right to claim any additional compensation by reason of the payment of any such tax is hereby waived and released; and
3. All other applicable federal, state, and local taxes of every kind and nature applicable to the Work are included in the Schedule of Prices.
4. Owner is not subject to state or local sales, use and excise taxes and no such taxes are included in this Schedule of Prices;
5. All other applicable federal, state, and local taxes of every kind and nature applicable to the Work as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or other similar benefits are included in this Schedule of Prices; and
6. All costs, royalties, and fees arising from the use on, or the incorporation into, the Work of patented equipment, materials, supplies, tools, appliances, devices, processes, or inventions are included in this Schedule of Prices

3. Contract Time Proposal

A. If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall commence the Work within 10 days following the Village's acceptance of this Contract/Proposal provided Bidder shall have furnished to Owner all bonds and all insurance certificates specified in this Contract/Proposal (the "Commencement Date"). If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall perform the Work diligently and continuously and shall complete the Work no later than Completion Date in Attachment A.

B. Time is of the Essence. The time of beginning, rate of progress, and time of completion of the Work is of the essence of this Contract. Contractor shall be solely responsible for completing the Work in a timely fashion. Contractor shall promptly, continuously, diligently, vigorously, and systematically provide and perform the Work, and all component parts of the Work, within such time or times as may be set forth in this Contract.

4. Financial Assurance

A. Bonds (if required by Attachment A). If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall provide a Performance Bond and a Labor and Material Payment Bond, on forms provided by, or otherwise acceptable to, Owner, from a surety company acceptable to Owner, each in the penal sum of the Contract Price, within 10 days following Owner's acceptance of this Contract/Proposal.

B. Insurance. If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall provide certificates of insurance and, if specified by the Village, copies of policies evidencing that Bidder has obtained and will maintain insurance coverage and policies providing no less than the minimum insurance coverages and limits set forth in Attachment A within ten (10) days following the Village's acceptance of this Contract/Proposal. Such policies shall be in a form, and from companies, acceptable to the Village to afford protection against all claims for damages to public or private property, and injuries to persons, arising out of and during the progress of the Work until final acceptance and payment by the Village. Such policies shall name the Village as an additional insured and cancellation notice recipient, including without limitation naming the Village as an additional insured for the Bidder's Comprehensive General Liability and Comprehensive Motor Vehicle Liability coverages. Such insurance shall provide that no cancellation or non-renewal of any insurance shall become effective until the expiration of 30 days after written notice thereof shall have been given by the insurance company to the Village. In the event of any such cancellation or non-renewal, Bidder shall provide, with the notice thereof, evidence of replacement insurance. In the event of any change of or modification of coverage, Bidder shall notify Village within thirty

(30) days after Bidder receives such notice from the Village. The insurance coverages and limits set forth below shall be deemed to be minimum coverages and limits and shall not be construed in any way as a limitation on Bidder's duty to carry adequate insurance or on Bidder's liability for losses or damages under this Contract/Proposal. Any excess or umbrella policy must provide excess coverage over underlying insurance on a following-form basis such that when any loss covered by the primary policy exceeds the limits under the primary policy, the excess or umbrella policy becomes effective to cover such loss. Contractor shall, prior to and at all times while providing, performing, or completing work for the Village, procure, maintain, and keep in force, at Contractor's expense, all insurance necessary to protect and save harmless the Village, the Work Site, and all property located at or about the Work Site, including but not limited to the insurance coverages specified in Attachment A. Bidder shall also provide the Village with a copy of the actual additional insured endorsement demonstrating that the Village is named as an additional insured. The policy of insurance shall contain no provisions that invalidate the naming of the Village of Grayslake as additional insured. The minimum insurance coverages and limits that shall be maintained at all times while providing, performing, or completing the Work are as set forth in Attachment A to this Contract. Bidder and a representative of Bidder's insurer must execute the certification of insurance coverage attached as Exhibit D.

C. Indemnification. If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall indemnify, save harmless, and defend the Village against all damages, liability, claims, losses, and expenses (including attorneys' fees) that may arise, or be alleged to have arisen, out of or in connection with Bidder's performance of, or failure to perform, the Work or any part thereof, or any failure to meet the representations and warranties set forth in Section 6 of this Contract/Proposal.

D. Subcontractor Insurance. Unless otherwise provided in the Attachment A, Bidder shall not allow any Subcontractor to commence or continue any part of the Work until and unless such Subcontractor provides and has in force Comprehensive General Liability insurance coverage equal to \$1,000,000 or the amount of its Subcontract, whichever is greater, and Workers' Compensation and Employer's Liability and Comprehensive Motor Vehicle Liability insurance coverages equal to those required of Bidder by this Contract.

E. Penalties. If this Contract/Proposal is accepted, Bidder proposes, and agrees, that Bidder shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with Bidder's performance of, or failure to perform, the Work or any part thereof.

5. Firm Proposal

All prices and other terms stated in this Contract/Proposal are firm and shall not be subject to withdrawal, escalation, or change provided the Village accepts this Contract/Proposal within 60 days after the date this sealed Contract/Proposal is opened.

6. Bidder's Representations and Warranties

In order to induce the Village to accept this Contract/Proposal, Bidder hereby represents and warrants as follows:

A. The Work. The Work, and all of its components, shall be of merchantable quality; shall be free from any latent or patent defects and flaws in workmanship, materials, and design; shall strictly conform to the requirements of this Contract/Proposal, including, without limitation, the performance standards set forth in Subsection 1B of this Contract/Proposal; and shall be fit, sufficient, and suitable for the purposes expressed in, or reasonably inferred from, this Contract/Proposal and the warranties expressed herein shall be in addition to any other warranties expressed or implied by law, which are hereby reserved unto the Village.

B. Compliance with Laws. The Work, and all of its components, shall be provided, performed, and completed in compliance with, and Bidder agrees to be bound by, all applicable federal, state, and local laws, orders, rules, and regulations, as they may be modified or amended from time to time, including without limitation the Prevailing Wage Act, 820 ILCS 130/0.01 *et seq.*; prevailing wage laws; any statutes requiring preference to laborers of specified classes; the Illinois Steel Products Procurement Act, 30 ILCS 565/1 *et seq.*; any statutes prohibiting discrimination because of, or requiring affirmative action based on, race, creed, color, national origin, age, sex, or other prohibited classification; and any statutes regarding safety or the performance of the Work.

To the extent that the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*) (Act) applies to this Contract, it is the Bidder's obligation to pay (and require every Subcontractor to pay) prevailing wages as established by the Illinois Department of Labor for each craft or type of work needed to execute the Contract in accordance with the Act. The established prevailing wage rates are available at www.state.il.us/agency/idol/rates/rates.HTM. If the contractor determines the Prevailing Wage Act is applicable to a project, they shall post or provide notice of the prevailing wage rates in accordance with the Act. Any increases in costs to the Bidder due to changes in the prevailing rate of wages during the terms of this Contract shall be at the expense of the Bidder and not at the expense of the Owner. Any change order shall be computed using the prevailing wage rates applicable at the time the change order work is scheduled to be performed. The Bidder shall be solely responsible to maintain and file accurate records in the manner set forth in, and as required by the Act. The Bidder shall be solely liable for any violation of the Act and shall be required to (i) pay the difference between prevailing wages and any wages actually received by laborers, workmen and/or mechanics engaged in the

Work and (ii) defend and indemnify the Owner against any and all claims arising under or related to the Act, including any damages, attorneys' fees, and penalties or fines.

C. Not Barred. Bidder is not barred by law from contracting with the Village or with any other unit of state or local government for any reason, including without limitation as a result of (i) a delinquency in the payment of any tax administered by the Illinois Department of Revenue unless Bidder is contesting, in accordance with the procedures established by the appropriate Revenue Act, its liability for the tax or the amount of tax, as set forth in 65 ILCS 5/11-42.1-1; or (ii) a violation of either Section 33E-3 or Section 33E-4 of Article 33 of the Criminal Code of 1961, 720 ILCS 5/33E-1 et seq.; or (iii) a violation of the USA Patriot Act of 2001, 107 Public Law 56 (October 26, 2001) (the "Patriot Act") or other statutes, orders, rules, and regulations of the United States government and its various executive departments, agencies and offices related to the subject matter of the Patriot Act, including, but not limited to, Executive Order 13224 effective September 24, 2001. Bidder is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by the United States Treasury Department as a Specially Designated National and Blocked Person, or for or on behalf of any person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; and Bidder is not engaged in this transaction directly or indirectly on behalf of, or facilitating this transaction directly or indirectly on behalf of, any such person, group, entity or nation.

E. Qualified. Bidder has the requisite experience, ability, capital, facilities, plant, organization, and staff to enable Bidder to perform the Work successfully and promptly and to commence and complete the Work within the Contract Price and Contract Time Bids set forth above.

7. Acknowledgements

In submitting this Contract/Proposal, Bidder acknowledges and agrees that:

A. Reliance. The Village is relying on all warranties, representations, and statements made by Bidder in this Contract/Proposal.

B. Bidder's Certification. All the facts and information submitted by Bidder in connection with this Contract and its procurement are true and correct in all respects and, in particular, the statements contained in Bidder's Certification are true and correct.

C. Conflicts of Interest. Bidder represents and certifies that, to the best of its knowledge: (1) no elected or appointed official, employee or agent of Owner has a personal financial interest in the business of Contractor or in this Contract, or has personally received payment or other consideration for this Contract; (2) as of the date of this Contract, neither Bidder nor any person employed or associated with Bidder has any interest that would conflict in any manner or degree with the performance of the obligations under this Contract; and (3) neither Bidder nor any person employed by or associated with Bidder shall at any time during the term of this Contract obtain or acquire

any interest that would conflict in any manner or degree with the performance of the obligations under this Contract.

D. Reservation of Rights. The Village reserves the right to reject any and all bids, reserves the right to reject the low price proposal, and reserves such other rights as are set forth in the Instructions to Bidders.

E. Acceptance. If this Contract/Proposal is accepted, Bidder shall be bound by each and every term, condition, or provision contained in this Contract/Proposal and in the Village's written notification of acceptance in the form included in this bound set of documents.

F. Remedies. Each of the rights and remedies reserved to the Village in this Contract/Proposal shall be cumulative and additional to any other or further remedies provided in law or equity or in this Contract/Proposal.

G. Penalties. Bidder shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with Bidder's, or its Subcontractors' or Suppliers', performance of, or failure to perform, the Work or any part thereof.

H. Time. Time is of the essence of this Contract/Proposal and, except where stated otherwise, references in this Contract/Proposal to days shall be construed to refer to calendar days.

I. No Waiver. No examination, inspection, investigation, test, measurement, review, determination, decision, certificate, or approval by the Village, whether before or after the Village's acceptance of this Contract/Proposal; nor any information or data supplied by the Village, whether before or after the Village's acceptance of this Contract/Proposal; nor any order by the Village for the payment of money; nor any payment for, or use, possession, or acceptance of, the whole or any part of the Work by the Village; nor any extension of time granted by the Village; nor any delay by the Village in exercising any right under this Contract/Proposal; nor any other act or omission of the Village shall constitute or be deemed to be an acceptance of any defective, damaged, or nonconforming Work, nor operate to waive or otherwise diminish the effect of any representation or warranty made by Bidder; or of any requirement or provision of this Contract/Proposal; or of any remedy, power, or right of the Village.

J. Severability. The provisions of this Contract/Proposal shall be interpreted when possible to sustain their legality and enforceability as a whole. In the event any provision of this Contract/Proposal shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, in whole or in part, neither the validity of the remaining part of such provision, nor the validity of any other provisions of this Contract/Proposal shall be in any way affected thereby.

K. Amendments. No modification, addition, deletion, revision, alteration, or other change to this

Contract/Proposal shall be effective unless and until such the Village and Bidder, provided, however, that the Village shall have the right, by written order executed by the Village, to make changes in the Work ("Change Order"). If any Change Order causes an increase or decrease in the amount of the Work, an equitable adjustment in the Contract Price or Contract Time may be made. No decrease in the amount of the Work caused by any Change Order shall entitle Bidder to make any claim for damages, anticipated profits, or other compensation.

L. Assignment. Neither this Contract/Proposal, nor any interest herein, shall be assigned or subcontracted, in whole or in part, by Bidder except upon the prior written consent of the Village.

M. Acceptance as Full Payment and Satisfaction. The acceptance by Bidder full payment for the Work shall operate as a full and complete release of the Village of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to Bidder for anything done, furnished for, arising out of, relating to, or in connection with the Work or for or on account of any act or neglect of Owner arising out of, relating to, or in connection with the Work, except the claim against Owner for the unpaid balance, if any, of any amounts retained by Owner pursuant to this Contract.

N. Relationship of the Parties. Bidder shall act as an independent contractor in providing and performing the Work. Nothing in, nor done pursuant to, this Contract shall be construed (1) to create the relationship of principal and agent, partners, or joint venturers between Owner and Bidder or (2) to create any relationship between Owner and any subcontractor or supplier of Bidder.

O. Bidder's Duty to Administer the Work. Bidder shall have full and sole responsibility for administration of the Work. Bidder's field organization shall include fully qualified and adequate management, supervisory and technical personnel to insure competent and expeditious handling of all matters related to the Work. Bidder shall have full and sole responsibility for keeping all personnel, equipment, materials, supplies, and other things required to provide, perform, and complete the Work within the designated construction area limits of the Work Site and out of areas not designated for Bidder's use. On all other lands, Bidder shall have no rights unless it obtains them from the proper parties.

Owner shall have the authority to order Bidder to remove from the Work Site any of Bidder's employees or any Subcontractors' employees who fail to discharge responsibilities, refuse to obey instructions, who are incompetent, abusive, threatening, or disorderly in their conduct, or who otherwise fail to perform that part of the Work undertaken in a manner satisfactory to Owner. Any such Person so removed shall not be employed again on the Work. No adjustment in the Contract Price or Contract Time shall be made as a result of such removal.

All subcontractors, suppliers, and subcontracts used by Bidder shall be acceptable to, and approved in advance by, Owner. Owner's approval of any subcontractor, supplier,

change is reduced to writing and executed and delivered by and subcontract shall not relieve Bidder of full responsibility and liability for the provision, performance, and completion of the Work in full compliance with, and as required by or pursuant to, this Contract.

All Subcontractors and Suppliers shall be directly responsible to Bidder and shall be subject to Bidder's supervision and control. Bidder shall have the duty to coordinate all Subcontractors and Suppliers so as to avoid hindrance or interference among them and to ensure that the Work will be completed in full compliance with, and as required by or pursuant to, this Contract and within the Contract Time.

Owner's approval of any subcontractor, supplier, and subcontract shall not relieve Bidder of full responsibility and liability for the provision, performance, and completion of the Work in full compliance with, and as required by or pursuant to, this Contract. All Work performed under any subcontract shall be subject to all of the provisions of this Contract in the same manner as if performed by employees of Bidder.

P. Claims. If the Work or any of Bidder's operations or property is damaged by any other Person, Bidder shall make its claim directly against such Person. If a dispute develops between Bidder and any such other Person concerning the responsibility for any such damage, the dispute shall be resolved with such other Person by whatever method may be available and appropriate, but such dispute shall not be cause for delay in the restoration of the damaged Work, and Bidder shall restore the Work immediately. Failure of Bidder to comply with this Subsection shall entitle Owner to perform, or to have performed, all Work necessary for compliance and to withhold or recover from Bidder the cost of such Work.

Q. Cleanliness of the Work Site and Environs. Bidder shall keep the Work Site and adjacent areas clean at all times during performance of the Work and shall remove and properly dispose of all waste and surplus materials from the Work Site each workday in such a manner as may be necessary to conform to Law. Bidder shall sweep and clean the Work Site, and shall remove from the Work Site all hoses, cables, extension cords and similar materials, as may be necessary to leave the Work Site and adjacent areas in a clean and orderly condition at the end of each workday. If Bidder fails to comply with its obligations under this Section, Owner shall have the right to perform, or to have performed, such obligations and to withhold or recover the cost thereof from Bidder.

R. Damage to the Work, the Work Site, and Other Property. The Work and everything pertaining thereto shall be provided, performed, completed, and maintained at the sole risk and cost of Bidder from the Commencement Date until Final Payment.

S. Governing Law. This Contract/Proposal, and the rights of the parties under this Contract/Proposal shall be interpreted according to the internal laws, but not the conflict of law rules, of the State of Illinois. Every provision

of law required by law to be inserted into this
Contract/Proposal shall be deemed to be inserted herein.

COMMERCIAL GENERAL LIABILITY

**CONTRACTORS ADDITIONAL INSURED/
WAIVER OF RIGHTS OF RECOVERY
EXTENSION ENDORSEMENT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. Additional Insured - When Required By Written Construction Contract For Ongoing Operations Performed By You For An Additional Insured and/or Your Completed Operations

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any person or organization for whom you are performing operations, when you and such person or organization have agreed in a written contract effective during the policy period stated on the Declarations Page (hereinafter referred to as the "Policy Period") and executed prior to the "bodily injury" or "property damage" for which coverage is sought, that you must add that person or organization as an additional insured on a policy of liability insurance (hereinafter referred to as the "Additional Insured").

The Additional Insured is covered only with respect to vicarious liability for "bodily injury" or "property damage" imputed from You to the Additional Insured as a proximate result of:

- (1) Your ongoing operations performed for that Additional Insured during the Policy Period; or
- (2) "Your work" performed for the Additional Insured during the Policy Period, but only for "bodily injury" or "property damage" within the "products - completed operations hazard."

B. It is further understood that the designation of any person or organization as an Additional Insured:

- (1) does not increase the scope or limits of coverage afforded by this policy; and
- (2) does not apply if the person or organization is specifically named as an additional insured under any other provision of this policy.

C. With respect to the coverage afforded to the Additional Insured, the following additional exclusions apply:

This insurance does not apply to:

- (1) Liability for "bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional services, including, but not limited to:
 - (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (b) Supervisory, inspection, architectural or engineering activities.
- (2) Liability for "bodily injury" or "property damage" arising out of or in any way attributable to the claimed negligence or statutory violation of the Additional Insured, other than vicarious liability which is imputed to the Additional Insured solely by virtue of the acts or omissions of the Named Insured.
- (3) Liability for "bodily injury" or "property damage" proximately caused by your ongoing operations, which takes place, in whole or in part, after the earlier of:

(a) the date that all work called for in the written contract with the Additional Insured has been completed, as defined in the definition of "products-completed operations hazard" herein; or

(b) the end of the Policy Period.

(4) Liability for "bodily injury" or "property damage" proximately caused by "your work" included in the "products-completed operations hazard" after the earlier of:

(a) the conclusion of the period during which the written contract requiring such coverage requires it; or

(b) 1 year after completion of "your work" performed for the Additional Insured, as defined in the "products - completed operations hazard."

D. Section III - Limits Of Insurance is amended to include:

(1) The limits of insurance applicable to the Additional Insured are:

(a) those specified in the written contract that requires the person or organization to be added as an Additional Insured; or

(b) as stated on the Declarations Page of this policy, whichever is less.

These limits of insurance are inclusive of, and not in addition to the limits of insurance shown on the Declarations Page. If other insurance of any type is written by us and applicable to the Additional Insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable per occurrence and aggregate limit of insurance under one coverage form or policy providing coverage, whether primary or excess.

E. Section IV - Other Insurance is amended to include:

(1) When required under a written contract with the Additional Insured which is executed prior to "bodily injury" or "property damage" for which coverage is sought by the

Additional Insured hereunder, the coverage provided to the Additional Insured under this section of the endorsement shall apply on a primary and noncontributory basis with any other insurance upon which the Additional Insured is listed as a Named Insured.

F. Section IV - Transfer Of Rights Of Recovery Against Others To Us is amended to include:

(1) When required under a written contract executed prior to the "occurrence" for which we make payment under this coverage part, we waive any right of recovery we may have against any person or organization who is an Additional Insured because of payments we make under this section of the endorsement.

2. Additional Insured - State Or Political Subdivisions - Permits

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any state or political subdivision which has issued a permit to you when you and such state or political subdivision have agreed in a written contract or agreement effective during the policy period stated on the Declarations Page and executed prior to "bodily injury," "property damage," or "personal and advertising injury" for which coverage is sought that you must add the state or political subdivision as an additional insured on a policy of liability insurance. Such state or political subdivision is an insured only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.

B. With respect to the coverage afforded to the additional insured provided by this section of the endorsement, the following additional exclusions apply:

This insurance does not apply to:

(1) "Bodily injury," "property damage," or "personal and advertising injury" arising out of operations performed for the state, municipality, or political subdivision; or

(2) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

If an additional insured endorsement is attached to this coverage part or policy that specifically names a state or political subdivision as an insured or additional insured, then coverage under this endorsement does not apply for adding the state or political subdivision as an additional insured if the state or political subdivision would, in whole or in part, also be covered as an additional insured under this endorsement.
