

VILLAGE OF GRAYSLAKE 50/50 SIDEWALK REPLACEMENT PROGRAM

The 50/50 Sidewalk Replacement program is a cost-sharing program between the Village and the property owners of Grayslake. This public/private partnership program enables property owners to make improvements to the sidewalk that is adjacent to their property under the Village's annual concrete contract. Those property owners who wish to make aesthetic improvements to the sidewalk adjacent to their property can do so while sharing the cost with the Village under the contract.

To sign up for the program, property owners should contact Village Hall at 847-223-8515 or at <https://www.egovlink.com/grayslake/action.asp>. The Village will inform the property owner of the status of their request in the program.

The sign-up period for this program runs from September 1st - January 10th on an annual basis. There is a set amount of dollars budgeted each year for the Village's portion of the cost. Inclusion in the annual program is on a first come first served basis.

Please note that work that is completed by property owners on their own through a private contractor, and not under the Village contract, is not eligible for reimbursement under this program.

For more information on the 50/50 Sidewalk Replacement Program please contact Zack Smith at 847-223-8515 or at zsmith@villageofgrayslake.com.
